ITTIHAD PAPER MILL L.L.C.

Yazin Maqeid - *Sales Manager*
Ittihad paper mill specialized in printing paper, and we are present today in Egypt to achieve our presence in the Egyptian market, which is considered one of our most important markets to us. This is our first time to participate at PAPER-ME and it will not be the last, and we will have a presence in the coming years. We chose PAPER-ME because it is one of the largest exhibitions for paper in Egypt and the Middle East; we have met many customers, our agents, and all our clients in Egypt.

Ahmed Menshawy - *Chairman*
We began participating in PAPER-ME in 2020, and this helped us expand our fields, as well as our presence this year in PAPER-ME helped us to export to new countries that we had not exported to before, and the PAPER-ME exhibition helped us a lot to spread especially after Covid-19 circumstances.

Mohamed EL-Soudi - *CEO*
PAPER-ME this year featured a great diversity of companies. The presence of the Indian pavilion and the Chinese pavilion gave increased strength to the exhibition, and the presence of European companies as well. PAPER-ME this year is an honorable image of the paper, printing and packaging industry in Egypt.

POST SHOW REPORT 2023

Business Matchmaking

PAPER-ME & **Print2Pack** exhibition cooperated this year with Tashbeeh Company to host a buyers program from the Middle East, Africa, and all over the world.

Throughout business communications we worked to pre-profile, pre-match and pre-schedule meetings between our exhibitors and Buyers.

We offered a fantastic networking opportunity for visitors and exhibitors to interact in a global market place.

Some of buyers opinion :

1. The exhibition was diverse in everything, and many countries were involved.
2. The organization is very wonderful and the exhibition contains everything related to the field of printing, packaging, paper and cardboard, and this is a great benefit to our work in Jordan.
3. We benefited a lot from the exhibition and made many business deals with exhibiting companies.
