INVITATION TO BID
OPEN ADVERTISED BIDDING

Implementation of a Smart Carpark Solution
Sir Seewoosagur Ramgoolam International Airport

REF NO: ATOL/OAB/ICT/2023/011

Airport Terminal Operations Ltd (ATOL) invites sealed bids from eligible **local and/or international vendors/systems integrators** for the Implementation of a Smart Carpark Solution at SSR International Airport.

The bidding document is available for free download from the following URL:
https://mauritius-airport.atol.aero/corporate/procurement/invitation-bids .

A Site Visit will be held on **Monday 30 October 2023 at 10h00.**

Bids should be submitted in sealed envelopes clearly marked "Implementation of a Smart Carpark Solution at SSR International Airport, **Reference No: ATOL/OAB/ICT/2023/011**", addressed to the Chairman Tender Committee and deposited in the Tender Box at the address below on or before **Tuesday 28 November 2023 up to 13h30** at latest. Late bids will not be accepted.

Address for submission of bids:

The Chairman Tender Committee,
Airport Terminal Operations Ltd,
ATOL Offices, Hall A, Passenger Terminal,
SSR International Airport, Plaine Magnien.
Tel: 603 8000

ATOL reserves the right to accept or reject any or all of the bids received, and to cancel this bidding process at any time prior to selection without incurring any liability towards any bidder.

Gelen Tarih Sayı: 20.12.2023 - 11666

1.0 Introduction

1.1 The Wastewater Management Authority (WMA), which is established as a body corporate, is responsible for all matters relating to the collection, treatment and disposal of wastewater (WMA Act 2000). It operates as an autonomous developer under the aegis of the Ministry of Energy and Public Utilities. The strategy of the WMA is guided by the Government's policy towards environment and sustainable development.

1.2 The WMA wishes to carry out a market sounding exercise to identify potential and capable private parties wishing to enter into a Public-Private Partnership Leasing agreement with the WMA for designing, financing, installing, commissioning, operating, and maintaining a Solar PV (SPV) plant at St Martin Wastewater Treatment Plant (WWTP), based on the power capacity of 9.0 MWac as agreed by the CEB and the WMA.

1.3 The WMA will sign an Energy Supply and Purchase Agreement or connection agreement with the CEB and receive an agreed tariff for each unit of energy exported to the CEB grid.

1.4 The private promoter will be required to supply its electricity to the Central Electricity Board (Mauritius) network/grid on behalf of the WMA and be paid by the WMA on a monthly or annuity basis over a certain period of time agreed between the WMA and the private promoter.

1.5 This proposed initiative of the WMA will eventually contribute in increasing the share of the renewable energy production in Mauritius.

1.6 The project at St Martin WWTP will be on a pilot basis. Subsequently, the WMA intends to implement two (2) similar projects at Grand Baie WWTP and Mt Jacquot WWTP with estimated capacity of 6 MW and 4 MW respectively.

Note: It should be noted that this is not a procurement exercise. However, the interested parties may be requested, in due time, to respond to a formal Request for Proposal (RFP), through restricted bidding or open advertised bidding, whereby a private promoter will be selected to design, finance, install, operate and maintain, and in general be responsible for all other aspects of the Solar PV farm.

Bu belge, 5070 sayılı Elektronik İmza Kanunu'nun 5/2 maddesi gereğince Güvenli Elektronik İmza ile imzalanmıştır.
Evrak sorgulaması https://ahbapgaabus.ahbapgaa.gov.tr/443/Se.EsaliDA.Revision/Validate_Doc.aspx?eD=BS9ZH9KLS&eS=11666 adresinden yapılabilir.

Gelen Tarih Sayı: 20.12.2023 - 11666

2.0 Brief Description of the Project

The WMA intends to embark on a Solar Photovoltaic Project of 9 MWac for which the WMA intends to attract potential private promoters to design, finance, install, test, commission, operate and maintain the SPV system on a PPP Leasing Agreement with the WMA.

Bu belge, 5070 sayılı Elektronik İmza Kanununa göre Güvenli Elektronik İmza ile imzalanmıştır.
Evrak sorgulaması https://odaborsaebys.tobb.org.tr:443/tso-sanliurfa-envision/Validate_Doc.aspx?eD=BS9ZH9KLS&eS=11666 adresinden yapılabilir.

A brief description of project is presented below:

The WMA has earmarked one potential site to develop the project which is the St Martin Wastewater Treatment Plant for which an estimated non-service area of 110,000 m^2 is available for this project.

The St Martin WWTP is located in the district of Black River, Mauritius and the GPS location is -20.230031372476013, 57.43180811398891.

Gelen Tarih Sayı: 20.12.2023 - 11666

The SPV project shall be under the Central Electricity Board Greenfield Renewable Energy Scheme for Public Entities and the WMA is entitled to enter this Scheme as a Parastatal body.

As at date, the WMA have already initiated all administrative procedures with the CEB and a Proposed Project Prefeasibility Form as well as a full Project Feasibility has already been submitted to the CEB.

3.0 The PPP leasing Agreement

The WMA intends to undertake the PV project under a PPP leasing agreement with a private promoter for a given period (say 15 years) under a PPP leasing Agreement. The WMA will provide land and access to the private promoter for installing, operating and maintaining the system.

The plan is for the private promoter to finance, develop, design, build, operate, and maintain the RE plant, and in general be responsible for all other aspects of the operation, maintenance and management.

The WMA will thereafter contract to an Energy Supply and Purchase Agreement with the CEB for the purchase of electrical energy for a period of 20 years subject to terms and conditions defined in the agreement.

Electricity produced will be sold to the CEB by the WMA through the Greenfield Renewable Energy Scheme over 20 years or as per agreement with the CEB.

The leasing fee to the private promoter will be paid from the sales revenue obtained from the CEB over a certain period of time agreed between the WMA and the private promoter.

The WMA will become the owner of the PV system at the end of the leasing agreement.
At the end of the leasing agreement term, WMA will have no obligation to the private promoter and will keep all revenue for the sales of electricity from the CEB. However, a new maintenance contract with the private promoter may be agreed as an option.

The PV Plant will deliver electricity to a nearest substation as advised by the CEB. The private promoter shall build the feeder line, substation, communication system to connect to CEB System Control Centre for real time monitoring as per terms of the CEB.

Bu belge, 5070 sayılı Elektronik İmza Kanununa göre Güvenli Elektronik İmza ile imzalanmıştır.
Evrak sorgulaması https://odaborsaebys.tobb.org.tr:443/tso-sanliurfa-envision/Validate_Doc.aspx?eD=BS9ZH9KLS&eS=11666 adresinden yapılabilir.

4 Financial Model

Gelen Tarih Sayı: 20.12.2023 - 11666

4 Financial Model

The private promoter will be required to develop a financial model to determine the best possible financial options for the WMA. The Private Promoter will thereafter be required to submit their proposal and the most technically responsive and financially beneficial offer to the WMA will be retained.

Bu belge, 5070 sayılı Elektronik İmza Kanununa göre Güvenli Elektronik İmza ile imzalanmıştır.
Evrak sorgulaması https://odaborsaebys.tobb.org.tr:443/tso-sanliurfa-envision/Validate_Doc.aspx?eD=BS9ZH9KLS&eS=11666 adresinden yapılabilir.

5 Instructions to potential private promoters

5.1 Interested parties wishing to respond to this market sounding questionnaire are kindly requested to answer to the questions in part A and to complete their contact details in part B. Interested parties are requested to answer all questions included in part A.

5.2 In respect of the questions which include a rating scale, the answer should be marked with a tick mark (√ or X) in the relevant field.

5.3 Interested parties who wish to comment on issues related to the Project but not included in this Questionnaire can complement their views on these issues in Section 2 of Part A of the Questionnaire.

5.4 The submission must include all forms included in Part B duly completed with all details requested, including any other documents deemed fit by the interested firms.

5.5 The completed questionnaires should be sent via e-mail must be in pdf electronic format only including any other documents deemed fit by the interested firms, to the following address:

pvprocurement@wma.intnet.mu

Interested firms may also opt to submit the duly filled Market Sounding form electronically through Google Forms on the following link https://forms.gle/3zpSdvHZ3ovs6B3w6.

5.6 The deadline for submission of the Market Sounding Questionnaire is on **17 November 2023 at 13.00 hrs (Mauritius Time).**

5.7 After the market sounding exercise, potential private promoters may be contacted for further discussions on any clarifications on their submissions. This may include a presentation to the WMA with the aim of enabling the WMA to fully understand the submissions of the firm and any clarifications which may be required on the project.

7 Disclaimer

The WMA reserves the right not to accept views and proposals of interested parties that will respond to this questionnaire and explicitly states that this questionnaire is not a call for tenders or a pre-qualification questionnaire.
In addition, this questionnaire does not intend to bind any interested entities as to the content of their answers, and this questionnaire will not be taken into consideration during the assessment of the private promoters for any future project implementation.
Completion of the questionnaire will not commit any party to participate in further stages of the private promoter process and failure to complete the questionnaire will not prohibit entities from participation in the future private promoter selection process. During the market sounding process, all liabilities of WMA are excluded.

Note: This market sounding is not a procurement exercise and shall in no way make an obligation on WMA to invite or enter into a contract with any identified private promoter.

MPA
Mauritius Ports Authority

MAURITIUS PORTS AUTHORITY

VACANCY NOTICE FOR THE POST OF DIRECTOR-GENERAL

The Mauritius Ports Authority (MPA) is a body corporate established under the Ports Act 1998. The MPA is inviting applications from suitably qualified candidates who wish to be considered for the post of **Director-General** on contractual basis.

The Director General will be responsible for the execution of the policy of the Board of the MPA, the implementation of MPA's regulatory and control functions, and for the control and management of the day-to-day business of the Authority.

Prospective candidates should have the required academic qualifications and professional experience. They should also be visionary, possess strong leadership skills and be conversant with port management and development.

Interested candidates are invited to visit the MPA's website on www.mauport.com for further details regarding qualifications, experience, competencies and skills, duties and responsibilities and terms & conditions of employment related to the post.

Closing date for the submission of applications:

Wednesday 6 December 2023 at 1500 hours (local time).

MPA reserves the right:

1. To convene only the best qualified candidates for an interview; and
2. **NOT** to make any appointment following this advertisement.
